# Egg box <br> upcycling activity 

## Making incredible insects

## You will need

Egg box
Card
Scissors
Paint or colouring pens
Glue

## Step one

## Find an egg box

$\diamond|3| \Rightarrow$

## Step two

## Cut the lid off your egg box and keep the bottom

$\diamond|4| \Rightarrow$

## Step three

Cut the bottom of your egg box in half

$$
\diamond|5| \Rightarrow
$$

## Step four

## Carefully trim your egg box so it sits flat on the table

$\triangleleft|6| \Rightarrow$

## Step five

Decorate your egg box as an insect - for example, a caterpillar or bumble bee

$\diamond|7| \triangleleft$

## Step six

Cut two lengths of card, fold down the ends and stick them onto the front of your insect to make antennae

## Step seven

Draw or stick the eyes onto your insect and it's complete

## You've made an incredible insect!
