

# Plastic milk bottle upcycling activity

## Making an elephant

provided by

# You will need

- ✓ Plastic milk bottle
- ✓ Marker pens
- ✓ Card or paper
- ✓ Scissors
- ✓ String, kitchen foil or other decorations
- ✓ Glue

# Step one

**Draw a line around your milk bottle at the bottom of the handle**

# Step two

Using your scissors, carefully cut around the line you have drawn on your bottle

# Step three

Using some card or paper and a black pen, make two eyes for your elephant

# Step four

Choosing different materials, decorate your elephant – being as creative as you can

# Step five

Don't forget to make some ears to stick on

# You've made an elephant!
